MANI

Mani Imports has been serving the gourmet food community for 20 years.

We continually seek to offer extraordinary foods, some of which is imported from various countries around the world while others are discovered locally. Today's culinary diversity is truly miraculous. Our customers can enjoy tasty Feta from Greece, intense Extra Virgin Olive Oil from Sicily, traditional French Dijon mustard, robust olives from Kalamata, piquant Manchego cheese from the pastures of Spain, complex balsamic vinegars from Modena, creamy goat cheeses from Sonoma.

This bounty of ingredients helps us in our daily preperation of foods that are exciting, healthy and enjoyable.

Good food cannot be made of inferior ingredients masked with high flavor.
It is true thrift to use the best ingredients available and to waste nothing.”
